Cub College

Cub Scout College is a council event where all the leaders from Cub Scout Packs from across the council come together to help get trained. What our lodge is asking us to do is help out with this event. The lodge wants to get more involved with Cub Scouts by having chapters do Arrow of Light Ceremonies for Cub Scout Packs and helping out at other Cub Scout events like Cub College. For those of you who are interested in helping out, it is on November 1st

at Fox Valley Technical College in Appleton. You would need to be there between 8-8:30AM.

There are several things we would help out with like the daycare, directing lost leaders, helping the presenters carry stuff in/out, and any other things they need done. It can be a lot of fun, especially in the daycare. If you are interested in helping out, we encourage you to wear your OA sash. If you have more questions, please contact Dan Carriveau.

Lodge Leadership Development

Things went GREAT! There were a lot of great training sessions for all the new chairs and officers. We had a fairly good turnout among the members of the lodge. It typically is just a bunch of training sessions with a short break afterwards, but this year we tried something new. We did team building games in between and had breaks. It was a little more laid back

from previous years, which really was nice because you want to make sure that everybody is bonding and getting to know each other better so they can work together for the next year. Hopefully you are able to attend next year and get some of this good training and can bring it back to our chapter and help by taking a leadership position.

Section Conclave

It was a good time at Camp Decorah for Section Conclave. In the morning there was a lot of training that went on. Some of the training sessions included: the Importance of Ceremonies, Planning and Setting up for Ceremonies, Establishing Chapter Rhythm, and many more. In the afternoon we played lots of games and other activities. Maqkwokani Chapter was in charge of running Order of the

Arrow Jeopardy. Things went well with the game; in fact, there had to be two games run because it was so popular! A few of the other activities included the Dunk Tank, Ultimate Frisbee, War Bats, just to name a few. For Saturday night dinner, we ate mighty fine with steak. Also joining us was the Central Region Chief, Tyler Elliott. If you missed out this year, make sure to go next year!

Chapter Website

The chapter website can be found at <http://flyinghawk.org> once there you will be able to find out any news or information, be sure to check it out often, important notices and events will be posted there. For discussion on OA

events, you can register for free on the chapter forum, once registered you can then discuss things with other arrowmen of Maqkwokani Chapter.

Congratulations

Congratulations to these new Eagle Scouts!

Andy Kox, Troop 3
Kyle Kellner, Troop 8
Matthew Krentz, Troop 36
Zachary Ziesemer, Troop 36
Phil Houk, Troop 50
Joey Abraham, Troop 57
